
The family of
William Forbes Mathieson
is grateful to God for his life,
for your friendship, and for
your kindness and prayers

Dear Theresa, Carol, Alison,
Andriana and everyone at
Guardian Care,

Thank you for all that
you did for my father and
about our entire family.

When you became his
guardian, you kept him safe
and protected when I could
not. but you did tremendous
work to liquidate his estate.

And then to allow him to
move to Alabama with me
so his family could love him
and I could care for him
as his illness progressed,
was a gift to us all. I
miss him so much, but I
treasure every moment I had
with him.

Thank you! Carolyn Bedford
